

**Invitation Letter to Pan-Asia Ministerial Forum on Great Passage  
and Great Clearance of Transportation and Logistics & China  
International Forum of Cooperation and Development in  
Transportation, Logistics, and Logistics Technical Equipment**

The year of 2010 is a key period when the world continues to cope with the international financial crisis and promote the economic recovery. For the purpose of strengthening communications and cooperation between the international transport and logistics industry, and the logistics technical equipment industry, showing the latest academic research and the innovative development level of technical equipments, and stimulating the rapid and coordinative development of the transportation industry, logistics industry and the logistics technical equipment industry in China, China Communications and Transportation Association and Kunming Municipal Government decided through consultation to jointly organize the *Pan-Asia Ministerial Forum on Great Passages and Great Clearance of Transportation and Logistics & China International Form on Cooperation and Development in Transportation, Logistics, and Logistics Technical Equipment* during the *Dianchi Pan-Asia Forum* sponsored by Yunnan Provincial Government with approval of the after Bo'ao Forum and ASEAN Forum

*Dianchi Pan-Asia Forum* is a significant international forum which Yunnan Provincial Government organizes in order to roundly fulfill the significant spirit on Yunnan development of General Secretary HU Jintao and Premier WEN Jiabao and the Bridgehead Strategy put forward by the Central Committee of the Communist Party, to fully exert Yunnan's advantages as the key land passage to Southeast Asia and South Asia, to strengthen the communication and cooperation with Southeast Asia, South Asia and Great Mekong Sub-region, and to enhance the opening-up quality and level of the bordering area. The forum takes *Connecting Pan-Asia, Opening-up and Win-win, Scientific Development* as the aim, and *Pan-Asia Collaborative Construction, Development Share* as the topic, and builds a platform with high starting point, high level and great influence in order to promote the economic flourish of the border area, to push on the rapid development of Yuannan and even Southwest China, and to construct a friendly and harmonious regional environment.

At that time, the State leaders will be present at the forum and deliver speeches, and the principals of the relevant ministries, province and city, the international organizations, the government officials of Southeast Asian and Soutj Asian countries, the exports, scholars and business elite, will attend the forum and give lectures on many related topics.

It aims at advancing the orderly, efficient and harmonious development of our transportation and logistics industry, enhancing the technical equipment level of transportation and logistics, strengthening the regional communication and cooperation, and creating advantages for the enterprise development that CCTA and Kunming Municipal Government jointly organize *Ministerial Forum on Great Passages and Great Clearance of Pan-Asia Transportation and Logistics & China International Form on Cooperation and Development in Transportation, Logistics, and Logistics Technical Equipment* during the *Dianchi Pan-Asia Forum*. The conference will take *Regional Coordination, International Cooperation and Seeking Coordinate Development* as the topic, invite the officials in charge of the relevant ministries, the well-known experts and scholars, and the transportation ministers of Southeast and South Asian countries to give deep analysis and expatiation of the related industry policies and the strategic goal affecting the economic development, show the latest academic research and the technical equipment level of the transportation & logistics field. Kunming Logistics Industry Investment Promotion Show will also be held during the Forum.

The Forum has a vivid subject and comprehensive activities, and involves a variety of fields such as business, finance, transportation, logistics and so on. The Forum, featuring high standard and high level, has gained the support of WTO, IMF, the World Bank, The United Nations Development Programme, Asian Bank, etc., and will invite China Central Television, Xinhua News Agency, Phoenix Satellite TV, the influential national medium from Southeast and South Asian countries to make propaganda. On the Forum the delegate attending the conference will know about the latest industry policies and development trend and learn the international advanced scientific technology and management idea, gain more chances to communicate and cooperate with the international and domestic top talents, and accelerate the transformation of scientific achievements and increase the competition abilities and awareness of the enterprise.

Hereby we sincerely invite you to attend the conference and make contribution to the rapid and harmonious development of the transportation and logistics industry, and strengthening the cooperation between Kunming City as the opening door and the bridgehead of the Southwest China and the Southeast Asia area.

We are looking forward to your reply.

The conference organization scheme and the acknowledging receipt are enclosed hereinafter.
