

International Scientific Committee of the EASTS

Notice of Recruitment of Committee Members

The International Scientific Committee (ISC) of the EASTS is seeking new members who are willing to work for future activities of EASTS.

ISC members have been contributing significantly to paper-related work. However, it is strongly required to enrich its human resources in order to enhance the roles of ISC expected for the future of the EASTS. Younger generation and females in transportation or related fields as well as the EASTS awardees are especially welcome as ISC new members. Members in related fields, other than civil engineering, are also welcome.

Around 30 new members of ISC (currently 43) will be recruited to organize a new ISC in the spring of 2006 for the preparation toward the next conference.

1) Requirements for new ISC members

- must be an EASTS member
- must have five or more years of full-time work experience in transportation-related research or practical fields, after having received a title of either doctoral degree or APEC engineer (or other professional title officially certified as equivalent to APEC engineers).
- must have enough capability for reviewing papers and passion for the activities of the EASTS-ISC.

2) Term of ISC members

- Four years (two conferences); may be reappointed.

3) How to apply

If you wish to apply, kindly send the following information by e-mail to hisashi@dp.civil.saitama-u.ac.jp :

- CV including your name, nationality, organization, title, education, research and/or working field as well as contact e-mail address, address, phone and facsimile numbers,

- One document easy to be reviewed (For example, one English-written reviewed paper).

4) Evaluation procedure

Applicants' CV and submitted document will be evaluated by the recruitment sub-committee of ISC.

In the evaluation process, a good mixture of major field, age, sex and nationalities will be considered.

If you are interested in joining this committee, **please apply on or before March 10, 2006.** Applicants will be notified of the result by e-mail during the second week of **April 2006.**

Thank you for your interest in this activity and we look forward to receiving your applications.
