

EASTS & EASTS-Japan 20th Anniversary International Symposium “Future of Transportation in Asia”

Sponsorship: Ministry of Land, Infrastructure, Transport and Tourism,
Tokyo metropolitan government,
Japan Society of Civil Engineers,
The Japan of Transportation Economics,
Institution for Transportation Policy Studies
Association for Planning and Transportation Studies

Eastern Asia Society for Transportation Studies (EASTS) was founded in November 1994 as an umbrella organization of transportation science societies with the primary objectives of fostering and supporting excellence in transportation research and practice and stimulating professional interchange in all aspects and modes of transportation. The current number of member domestic societies is 18: Australia, Cambodia, China, Hong Kong, Indonesia, Japan, Korea, Lao PDR, Malaysia, Mongolia, Myanmar, Nepal, New Zealand, Philippines, Singapore, Taiwan, Thailand, and Vietnam. Here, an international symposium titled "Future of Transportation in Asia" will be held as 20th anniversary event of EASTS.

You are welcomed to attend this symposium.
